Good Afternoon Commissioner Kiser.

Today the Utah Defined Contribution Risk Adjuster Board met to approve the final 2017 risk adjustment settlement (see attached). With the closure of Avenue H, and any remaining grandfather/grandmothered small employer health plans transitioning back to their perspective insurers as of January 1, 2018, it is mine and the board's opinion that the purpose and work of the risk adjuster board is now completed.

Please let me know if you have any questions, comments or concerns.

Thank you to you and the Governor for the opportunity to serve on the RAB. It has been a wonderful experience the past several years working with everyone associated with the board, and has been very educational.

Cordially,

Dave Jackson
